Scene 1

At Rise

(Brightly lit fluorescent store interior. Mike standing stage right looking at the floor and glancing towards dressing room or back stage periodically.)

MIKE

Come on honey. This is really awkward. How much longer do you have?

GINGER (OFF)

Just a few more minutes. Relax will ya. Stop being such a baby.

MIKE

Fine, but will you hurry?

(Looking around, make eye contact with female audience member, then look away.)

Standing around while you try on bras isn't exactly how I wanted to spend my day. Lingerie stores make me feel like a creepy old man.

GINGER (OFF)

I thought you'd like coming with me. You can help me pick out fun stuff baby.

MIKE

Fun stuff? I can't even look at anyone. Please hurry.

GINGER (OFF)

Sighs

(Mike looking around, nods and smiles at someone approaching, only to quickly look back down at his shoes.)

MIKE

Why'd you make me come in here?

GINGER (OFF)

It's not that big of a deal. Why don't you go pick out something new for me. Our anniversary *is* coming up!

MIKE

Just what I want to do, be the only guy walking around looking at frilly lingerie in a store full of women.

GINGER (OFF)

How 'bout a warm, comfy bathrobe or something. Don't go far though in case I need something.

(CONTINUED)

MIKE

Fine. I'll be back.

(Mike walks towards center stage looking at different pieces. After a few moments, JILL enters stage left.)

JILL

Good afternoon. Can I help you find something?

MIKE

(Looks side to side to make sure the sales girl is speaking to him.)

Sure... I guess.

JILL

Great! I'm Jill. Are you looking for anything in particular?

MIKE

Not really. My wife and I are celebrating our anniversary next week.

JILL

Congratulations!

MIKE

She wants a fuzzy robe or something.

JILL

Is that what you were thinking?

MIKE

I was thinking maybe something...

(looks away)

nicer?

JILL

Gotcha. What size are we looking for?

MIKE

Medium, I think.

JILL

Great!

(Walks a few feet over to a clothing rack)

So I have this really nice robe. Microfiber cotton, super soft. It will look awesome in lavender. Very comfortable and only 90 dollars. She can wear this around the house,

(Hands robe to MIKE to feel and touch)

or just getting out of the shower. It's definitely warm and fuzzy. But for you, the best part is this...

(CONTINUED)

(Moves as if to another rack)
You can match it with this babydoll and panty set.
They're perfect together.

MIKE

I like that.

JILL

What color do you like? Red, pink, blue? They're 30 percent off and currently only 50 dollars each, so would you like one, or all three.

MIKE

Umm. Yeah. Uhh. I don't know... I'm not sure.

JILL

That's ok.

(whispers)

Would it help if I model them for you?

MIKE

(Visibly shaken, stammers)

Huh?

JILL

(Holds up the babydoll and speaks slowly)

Would you... like me... to model them... for you?

MIKE

(Looks around and looks back dressing room. Confused and perplexed, but intrigued Mike answer reluctantly.)

Uhh. Sure, I guess. Yeah.

JILL

Great! Wait right there.

(Jill turns to walk away, as if to the changing rooms. Takes two steps, turns around and flings the lingerie on to the floor as if trying to spread them out. Pauses to admire her work and then turns and smiles at Mike.)

What do you think?

MIKE

(Just looks at the floor and back to the Jill very confused.)

JILL

I like that one the best.

(Points at floor)

(CONTINUED)

MIKE

(Dumbstruck and speechless)

JILL

That's where they end up right? As floor art? Which color do you like best?

(While Mike is considering, he snaps back to attention when his wife calls out.)

GINGER (OFF)

Honey? Where are you? Did you find something fun?

MIKE

(Panicked and embarrassed)

I'll take all three!

(Grabs lingerie quickly turning towards changing rooms and yells)

Coming!

JILL

(Self satisfied)

Another happy customer.
